EXPERIENCE

Urban Architecture Inc.

2022 ? Present

SOLE DIGITAL OPERATOR

Sole digital operator for a high-end design gallery specializing in Memphis Milano and postmodern collectible design. Built the website from scratch and have managed everything since, including outward-facing communications and back-end operations: brand strategy, email campaigns, social media, product photography, SEO, content management, and analytics.

Bernard Figueroa Studio

2025 ? Present

CONTENT & DIGITAL STRATEGY

Developed the digital presence for an independent artist and designer working across sculpture, lighting, and furniture with studios in New Jersey and Montpelier, France. Responsibilities include studio photography, short-form video, Instagram content and grid management, and Mailchimp campaigns reaching collectors, galleries, and designers.

STATMASK

2020 ? 2022

SOCIAL MEDIA & PRODUCT PHOTOGRAPHY

Spearheaded web operations and marketing strategy for a Brooklyn-based PPE apparel startup during a period of rapid growth. Managed paid social campaigns via Facebook Audiences, optimizing against Shopify sales data and Google Analytics. Expanded revenue 150% in Q3 2021 through coordinated paid social, audience segmentation, and data-informed creative decisions.

Contributor Development Partnership

2023

TRAINING ASSISTANT

Created training assets and documentation for a public-benefit corporation serving NPR and PBS member stations throughout the Northeast. Managed a CRM database transition and developed rollout strategy for regional cohorts.

Full project history and references available on request.
